

Finger Food

"Catering2U provided an outstanding alternative to a formal sit down dinner. It proved to be much more "party friendly". The food was plentiful and of a high quality and the service first class. Many Thanks."

Barrie Cassidy, after his party at Bawlie Point, Journalist & Presenter ABC's "Insiders" & "Offsider" Program

Finger food is an increasingly popular catering option for both formal and informal events.

Catering2u menu prices include:

- Uniformed staff to serve you and your guests.
- All equipment required for preparation and serving.
- Food, dipping sauces & serviettes.

Catering2U

See our website for all menus: Spit-roasts, BBQ's, Finger food and more.

Benefits include:

- You do not need to accurately predict the number of guests that will attend.
- Guests can mingle with drinks while Catering2u uniformed waiters tray serve finger food at regular intervals.
- There is no need for the host to provide seating and tables for guests.
- You can enjoy all your guests' company during the entire party.

Catering2u prepares your finger food FRESH at your event. Then our uniformed waiters tray serve it to your guests while they are enjoying your party and venue.

Catering2u offers two menu levels (Premium and ValuePlus) and both with main meal and entree sizes.

- Main meal (14 pieces per guest) is served over approx 2 hrs
- Entree size (7 pieces per guest) is served over approx 1 hr.

The variety of finger food items available are listed on page 2.
