Also consider.....

Will your guests be seated for the meal?

Choose a spit-roast: Catering2U add to your party's atmosphere by roasting at your event on a rotisserie spit so you and your guests can see the meats and enjoy their aroma. The piping-hot meat is then carved directly from the rotisserie onto your guests' plates. The meat cannot be any fresher or more succulent.

Other options BBQ & Breakfast menus

Will your guests be mingling with drinks? *(This may allow savings on seating, table decorations etc)*

Choose finger-food: Catering2U prepare all finger-food at your venue using our own equipment. Our uniformed staff tray serve the food to your guests We do not deliver food for you to distribute at events but we can work almost anywhere. A kitchen is not required.

Other options: **Hot meat rolls** (Roast beef, Roast pork, Marinated chicken breast)
Great for 18th & 21st birthdays, Trade days, Team reward eventsetc.

Anything else?

- We can recommend reputable **bar-service providers** who can supply all beverages or simply serve yours. They can also help you determine adequate quantities for your event.
- Also consider hiring **security services** particularly for events involving young adults (*eg 18th & 21st birthdays*). Unwanted gatecrashers may be a hazard. As a basic precaution we recommend you notify local **Police** that the party is scheduled.
